#### JOIN IN THE FUN

The National Cherry Festival celebrates the arrival of Young's most precious crop and will see many visitors and cherry harvest workers converge on the town over the three days.

Young offers a very warm welcome to all visitors to come and celebrate the 68th National Cherry Festival. Local businesses continue to support the National Cherry Festival and with extensive interest and bookings to date, we're confident the event will attract many visitors.

This year we are keeping it simple, the theme for the 69th National Cherry Festival will be "Everything Cherry". Once again the festival is gearing up to have a wide variety of entertainment, including the street parade, cherry pip spitting and pie eating competition, carnival rides, live music, market stalls, busking, car show and more! There will also be awards for most humorous entry, best float incorporating theme, best school entry, best business entry and best community group entry in the parade.
